

TICKETING FORM
ONE FORM PER STUDENT
ACCEPTED BEGINNING MARCH 20
MUST BE COMPLETE AND
TURNED IN BY MARCH 30TH

Our teachers and students have been working hard to prepare for our annual student showcase, *The Art of Entertainment*, at the Highlands High School auditorium in Ft. Thomas, KY. Please review your copy of the recital schedule carefully to determine your child's performance dates.

Each family receives four complimentary tickets as part of the recital fee. Due to the large number of families we need to accommodate, additional tickets are not guaranteed to be seated next to the four complimentary tickets. Additional tickets are \$10 each and are non-refundable unless your request cannot be fulfilled. All seats are assigned - again, we do our best to keep families together, but cannot guarantee that extra tickets will be grouped together with your original four complimentary tickets.

Families with siblings in different shows will receive four tickets per show their child performs in. Students participating in multiple shows will receive four tickets for each show they are in. These performances tend to sell out, so we encourage families to submit your ticket requests early if you need extra seating. If additional tickets are available, they will be offered at dress rehearsals and before each showcase.

Please fill out and turn in this completed form. **Emailed requests are NOT permitted.** Special needs guests, please indicate aisle seat or wheelchair space on this form. Ticket requests will be accepted Friday, March 20-30th and priority seating will be determined on a first-come, first served basis. **Balances must be paid in full before receiving tickets.**

The dress rehearsal will be a working rehearsal with teacher involvement, corrections, etc. - parents, guardians and students only please. We are running the finalé first, so once your child is finished with their dances, they are permitted to leave. Professional video services are being used this year - **tripods will not be permitted** during any performances.
