ANDERSON STUDIO RECITAL VIDEOS

We're thrilled to be back in the theatre and able to offer a professional video service again this year to capture all of our dance recital performances. Every show will be recorded with two cameras in HD and delivered in DVD format. The video is edited and includes titles, chapter markers and artwork. Pre-orders must include **payment in full and be submitted by May 28th** (cash or check only), and will be available for pick-up at the studio approximately six weeks after the show. You will receive an email indicating when they are ready. **If you'd like us to mail them, please enclose an additional \$10 for shipping and handling.**

Videos are a wonderful keepsake and fun recognition for your dancer – your entire family will enjoy watching them for years to come. Tripods will only be permitted during the rehearsals, not during the recitals. Thank you for your cooperation.
