ORDER YOUR RECITAL VIDEOS TODAY!

We're happy to offer professional video services again this year to capture all of our showcase performances. Every show will be recorded with two cameras in HD and produced in **DVD, BlueRay or USB format**. The video is edited and includes titles, chapter markers and artwork and will be available for pick-up at the studio approximately six weeks after the show. You will receive an email indicating when they are ready.

If you'd like us to mail them, please enclose an additional \$10 for delivery.

Videos are a wonderful keepsake and fun recognition for your dancer – your entire family will enjoy watching them for years to come. Tripods will only be permitted during the rehearsals, not during the recitals. Thank you for your cooperation.
