**LAST CHANCE TO ORDER RECITAL VIDEOS**

We're happy to offer professional video services again this year to capture all of our incredible moments during the showcase performances. Every show is being recorded with two cameras in HD and produced in **DVD, BlueRay or USB format**. These edited videos include titles, chapter markers and this year's thematic artwork - they will be available for pick-up at the studio or mailed to your door approximately six weeks after the show. You will receive an email indicating when they are completed.

**If you'd like us to mail them, please enclose an additional \$10 for delivery.**

Videos are a wonderful keepsake and fun recognition for your dancer - your entire family will enjoy watching them for years to come. Tripods will only be permitted during the rehearsals, not during the recitals. Thank you for your cooperation.
